“ I am very saddened by the death of your wife and mother. I worked with Joan at IBM and we very often went out to lunch together because she took her lunch from home but we would go to the local stores around IBM. She was a very lovely woman and also taught me how to make ham meatballs among other recipes that she said were from her mother in law. I have tried reaching you by phone but was unable to reach anyone related to your family.

Please give my regards to your family and Joan and all of you are in my thoughts and prayers.

Regards, Bonnie Emanuel, (former co-worker of Joan)###imported-begin###Bonnie Emanuel###imported-end###

We always enjoyed seeing you and Joan at the treasure hunts. You both were so animated and full of life. There was no doubt you enjoyed being there and enjoyed being with the treasure hunters. Your service to her elebrated her life and was a real tribute to her. You have our deepest sympathy. So hard to loose half of your self. May God go with you as you experience this time in your life. “ Dear Walter & all of Joans family,
Just to let you know Bob&I really really liked Joan&Walter.We
looked forward to seeing them at our hunts. I won a metal detector
from them that my one grandson has. The last picture in my mind is
Joan in the truck asking about my cold. I didn't want to get too close
to her over the weekend because of my cold. I let her know I loved
her and wished that she could get better. You just don't want to let
go of someone you care about. If they can't get better it is best that
we let go so they don't have to suffer. I'm sure Joan misses you but
she is happy watching over you. Love JO & BOB###imported-

“ *Hi Walt. I am sorry to hear of Joan's passing. She was tough, as she hunted with you until the very end. There are not too many spouses that would do that, she was special, as I am sure you know. Take care of yourself and I hope to see you at a hunt next year.##imported-begin##Andy Blessing##imported-end##*
