“ *Joanie was my mother-in-law for awhile and I will never forget her. She was just one of those special people that leave an impression with you. I will miss her but I know where she is and I know heaven is the cleanest it has ever been. If there is a piece of trash on a cloud she has picked it up and disinfected underneath it. My thoughts and prayers go out to the family and hope that you can allow yourselves to heal.*

*Godspeed Joanie!!!*##imported-begin##Scott Fanselow##imported-end##
