“ I was so sorry to hear of John's passing. He was and will remain a large part of our lives. I loved his vibrant attitude. His "Larger than Life" personality was magnetic. If he loved you, you knew it & he greeted everyone the same. His joyful enthusiasm was contagious. And his ability to make you laugh was epic. He taught me thru example how to treat people. It didnt matter if you wore a suit or tethered clothes with duct tape shoes, he made you feel important, he treated you as tho you were the only one in the room. He was happy to see you & you felt it. If he wasnt giving you the shirt off his back, he was giving you free advice, a quick mechanical fix, a new trinklet or blinky something to make you smile. (Yes, I believe the dollar store & local fleamarket is bound to feel his absense too). I will miss him dearly & remember him fondly. Cory, my thoughts & prayers are with you & your family always. XOXO
