“ *John and Pete,
My deepest sympathy on your Dad's passing. He will be missed but still with us in memories. I think they broke the mold after him. I doubt there was a fish swimming that Fish Bones couldn't catch. Among other things his golf putting was pretty spectacular too. You and your families are in my thoughts and prayers.*

“ *Johnny and Pete,
I am so very sorry to hear of Uncle John's passing. He was a wonderful man, and I always enjoyed when he would visit my parents with your mom - they always had a great time reminiscing and sharing memories.
Your dad will be missed.
Much love and many prayers to you and your families.*
