“ I am so glad that I can say I had the opportunity to met John some twenty years ago. John was always so kind and caring. He always called me the girl from Saxonburg He would always smile when he knew it was me coming into his room. And he never failed to ask did I bring him Hershey Bars . Such a small thing as a chocolate bar made John smile. I will miss him and our little chats. My thoughts and prayers are with you all threw this grief
