“ Please accept our condolences on the loss of your son. I cannot begin to imagine the pain that follows such a tragedy. I hope and pray you find strength to endure through this time of loss. Knowing the quality of character that Bonnie has displayed in caring for our children, I know she will persevere and help her family do the same. God Bless.

“ *My greatest condolences go out to all of you.
I remember riding the go-karts together when we were younger, and
still have us singing songs at Christmas time on video.
I haven't seen Joey since we were both about ten, I only wish I
would had taken greater strides in doing so.
God Bless.##imported-begin##Caitlin Farley##imported-end##*
