“ My dear cousins,

*I am so sorry to hear of Jo's passing. I apologize. I saw the obituary notice in the paper a day late. My memories of Jo are good ones. Family was so important to her. She always kept close ties with everyone and we were always on her visiting list when she was back in Butler. She never failed to send us a Christmas card. Her handwriting was so beautiful. Such a gentle, sweet and lovely soul. I am afraid I am not so good at keeping in touch with my relatives as I should, but I wanted you to know that you all have my sincere condolences. Jo lives on in the love and memories of all that hold her so dear and near to their hearts.*

*With love,*
