“ Loretta and Willie,  
Julie was such a dear friend and wonderful mother. I could call her anytime day or night for a good laugh or a nice chat. We enjoyed our friendship. Julie was never selfish, when her family or friends needed anything Julie was always there to lend her heart, hand, or home. Even through her long illness Jul Jul was always worried and caring for others by putting their needs first. She loved her family and friends with good Christian values. It was a joy to be friends with one of the kindest people I have ever met. She left us all with wonderful memories. While we mourn our loss others are rejoicing to meet her again. You both are in my thoughts and prayers as I share in your grief. May your memories be the comfort that will live in your hearts. As time passes may faith sustain and grief fade. Paul said "to depart and be with Christ is far better" (Phil. 1:23) when leaving behind this world. Jul Jul we will all meet again in the Promised Land.##imported-begin##Lori Emert##imported-end##
