“ I'm sorry Justin, you didn't deserve this. If love could have saved you, you'd still be here.. who knew forever was gonna be cut so short 💔 I try so hard to be positive and make you proud, but I can't help but be selfish and want you back. My heart aches for you. I hope we make it back together one day, you will always be the love of my life. No one could ever come close. I love you.
