“ Daniel and Nicole, I'm so sorry to hear about Karen. You two are in my thoughts and prayers. Your family has been through a lot in the past couple years. Your children have another angel watching over them.

“ Way too many memories to share but the one that stands out in my mind the most is when we were pregnant at the same time. We worked together at Gaylords and we were always comparing out pregnancy problems. She had such a quick wit. I am forever grateful that I got to see her and enjoy that wit on Tuesday before she passed. I love you my friend.
