“ I'll always hold dear that laugh that we all had sitting at my kitchen table on Mother's Day. The look on Mom's face was so funny; we could not help but laugh. When I speak of Karol, I always start by saying that she is a saint, and that she held her head high even in the face of adversity. She will be missed by all who had the great honor of knowing her.##imported-begin##Megan##imported-end##
