“ I remember running through her house just making her crazy being kids. And continuing to run through the house making her crazy through high school. Letting me sneak hanging out with Richelle when my dad and his girl friend would get a bug up their butt about not letting me. I can't help but smile thinking about her yelling at us when we would just be all wound up obnoxious and goofing off around in the house. She was one of the great mom's I had growing up. I'm sorry for everyone's loss. She is loved and will be greatly missed.
