“ Julie, I'm so sad to hear that my dear college roommate has gone to see *The Lord*. Kay and I still chatted now and then and exchanged news of our lives in our Christmas cards. We shared some good memories. We were roommates for 2 years at OSU and then in OKC after she graduated. John and I were also friends with your dad. We met you when you were only a few months old.

One of my fondest memories is when Kay "introduced" me to avocados. "Just slice it in half, fill the middle with lemon juice, add salt and eat with a spoon!" Delicious! I gained 10 pounds that semester. Another fond memory was when I got to come home with her one weekend and her mom made toasted English muffins and I was wowed.

Thank you so much for letting me know. She was always so proud of you and shared sweet pictures on Facebook. I have several pictures of Kay during our college years. If you would like some, let me know. Even though we corresponded now and then, I will truly miss her.
