“ Everytime I came to Natili's to play music I knew she would be there to greet me. The last time I was there recently she reminded me of the time years ago when I got sick on stage and had to lay down in a booth and she would check on me every few minutes. We had a good laugh together. What a wonderful soul. I will miss her.

“ Kay was my aunt. I haven't lived in Butler for over 21 years, but every time I was home on leave I would be sure to stop by Natili's to see Aunt Kay. She was always so fun to visit. I noticed that she always had a way of making everybody who walked in feel like they were the most important person in the room, and I swear she knew more than half of Butler by name. I will miss her.

“ *Kay was our cousin. As we work through our shock and sadness, we remember with love what a fun person she ALWAYS was. Her smile and laughter were contagious. She always had stories to tell about her children and grandchildren. They all were her pride and joy. Jon and Lynn have fond memories of the summer fun times at the farm. She and Lynn kept in touch by phone and she kept loving tabs on our mother, Aunt Dorothy, for us. She will be missed and we will cherish the memories.*
