“ Family-

Although we do not see each other often enough, you all were a big part in my childhood, including Kelsey, she had to put up with me as much as she did Chad.

You all are in our thoughts and prayers. May Kelsey Rest In Peace.

Our sincerest condolences-

Jason Smith and Family.

“ *My deepest condolences to the family! My heart hurts! Our families spent a lot of time together. I had the pleasure of growing up with Kelsey. I couldn't wait for her arrival into this world. I would count the days to Sue's due date. She was a loving and caring person if she could help you she would. Even if it was just to put a smile on your face! I love you Kelsey! May you rest easy my friend till we meet again! God has gained a beautiful Angel!*

“ When I would go home to see the family, one of kelsey's favorite things was asking if I would take them up to Brose's for provolone and pepperoni and a pop. Then we would go sit on the porch and swing and eat our provolone and pepperoni and drink our pop talking about all the things she wanted to do with me. You are now with nanna and pap whom you so dearly missed. You are so loved and your memory will always be in my  I LOVE YOU KELSEY!
