“ *Our thoughts and prayers are with you all. I know this pain all too  
well with the passing of my mom last year, but know that he was  
taken by angels and is in a far better place. It's sad that as Kenny's  
cousin, my most recent memories are from when we were kids. God  
bless you and keep you all in his care.###imported-begin###~ Melissa

“ *I have always considered Kenny as part of my family and will to continue to do so. I will always cherish the memories we shared. Although our paths in life were different I know they are going to cross again in a better place for us all. I regret being out of town and not being able to say one last good bye. Please know my family is deeply sorry for your loss and there is nothing I can say to change it but please know Ken we are here for you and your family. If there is anything we can do to make this time any easier for you please let me know. Love you Ken.##imported-begin##Frank N. Smith and Family##imported-end##*

“ Ken,

*I have no idea what you are feeling right now. I know it is hard to understand why our loved ones are taken from us. We just have to remember all the good times and how happy he was. I cannot take away your pain, but I can listen if you want to talk about it.*

*An ear to listen, A hand to hold, A heart to share, a friend who cares. Please don't hesitate to call.##imported-begin##Stella Smith##imported-end##*

“ *Kenny was like a brother to me and I miss him so much. I wish I could go back in time and relive each moment I spent with him. His smile was contagious and he was truly the nicest person I knew. I never heard him say a bad thing about anyone or do anything to hurt anyone. He was the best Uncle and loved spending time with his nieces, nephews and great nieces and nephews. He loved them and treated them as if they were his own children. I'm certain he's seated in heaven among the other angels.##imported-begin##Debbie Smith Reep##imported-end##*

“ *Ken was like a son to me. I'll always cherish the trips we took and the talks we had and the memories we shared. I'm grateful for having him as a part of my life. There's a void now that nothing will ever fill. I am comforted knowing he is with us all in spirit and that he had a good and happy life with his Dad.##imported-begin##Lin Pugh##imported-end##*
