“ To Ken's family - I worked with Stinky on the Summer Dramatics project and a couple of MTG productions. He was always there to help but he was also very good at "griping" about things and we mostly agreed with him. On my birthday he wanted to come to see my birth certificate "ground on a stone tablet". I will miss him sitting beside at the table in St.Peter's hall and Kathy and I, when we start up again next summer, will certainly miss him in more ways than he could even know. Love you Stink and you can spend time with "Aunt Dot."###imported-begin##Judy Wadding###imported-end##

*I was so surprised to hear of his passing. I have such fond memories of him from the days the days of Jesus Christ Superstar and Brigadoon. He was so loved and passionate about theater as well as lending a helping hand to those in need. My thoughts and prayers to his family, friends and those who loved him the most. “ Dear Friends and family of Kenny:  
To paraphrase Sue from St. Peter's-Kenny loved being a part of Butler and we loved having him here in Butler.I like my sister Arlene wanted to say love you Stinky-for even though he was Ken to some, Kenny to others,he will always remain our friend,Stinky. Someone asked me today,how I could write a condolence and be careful not to use the nickname Stinky-how INDEED-will miss you Stink. May love be what we remember most!  
Love and prayers to all and I hope my Mom gave you a standing ovation as you entered Heaven-she loved you too!
