“ John, Diana, Linda & Terry,

*It has been years since I last saw your Mom, but she was such a great lady! She had numerous things to offer and will be greatly missed. My sympathy goes out to you all! Seems we can never have our parents with us long enough. My parents are both gone now too and what a loss ~ time adjusts things, but it never heals the wound. Linda, Diana & Terry you may not remember, but we grew up in the same neighborhood and what fun was had by all. I have seen John in the last few years, but Diana - how is that husband of yours doing? Gee, childhood sweethearts living next to each other and still together. Keep up the good work and now go with strength to endure this loss with remembering all the good days and times with your Mom. Your parents will be your loving angels watching over you now! Love to all!##imported-begin##Donna (Shook) Merritt##imported-end##*

“ Dear Terry and family...for the short time that I knew your mom she was a very kind and loving person and had a great sense of humor...I can still hear her laugh... She was always very nice to our family and we really enjoyed her delicious food that she would bring to the picnics and such... She will be missed by our family as well... I just want to take the time to offer our condolences and we are here for you if you need anything.

Sincerely,

Denny, Cathy and Kids...##imported-begin##Denny Hemphill##imported-end##
