“ *Dear Jeff, Linda and Sandy,*

You have my deepest sympathy in the loss of your Father. I remember the times we would come and stay with you and ride your horses when we were all little. (Usually one week every summer). You had the pony that liked to bite so we always needed to have carrots with us. I have a picture of the four of us when we were babies (Jeff, Debbie, Bouncer and I). I think it was probably taken on Grandpa Shearer's sofa. We were all only a few months old. May you find the comfort and peace you need with your family, friends, and the many memories you share from your growing up years.

May the Lord bless you all and keep you in his loving care.
