“ Dear Roche Family,
I read about the loss of your loved ones “ Letty ”. I know you will miss her very much.
I know there is little that can be said at this time that will make the pain go away. I read a brochure on Hope for our loved ones that have died. It has comforting words from the Bible. The url address is

I hope that this brings you and your family some comfort. If I can be of any further help please feel free to write me.

“ To know Letty was to love her. Letty and I worked together for many years at the VA. You always knew when Letty was in the building. Much like myself, you could hear her before you saw her. There were times that Letty would get the blame for something I had done. That made us both laugh and wonder why some people had a hard time telling us apart ??? Letty was a special friend and I am blessed to have had her in my life. Rest peacefully dear friend....until we meet again.##imported-begin##Pam Holben Malachin##imported-end##
