“ *This lady took us in as kids as if we were her own. Katina and our other friends hung out at the house all the time and it was family to us. She gave katina the world and all the love a woman could. She became one of the people that gave us stepping stones of growth from the friends moms we were around. Love her to pieces and I send prayers to the family. Never forgotten!!*

“ *I remember meeting her for the first time and knew in an instant where her daughter got her fun loving , outgoing nature. She passed on her passion ,for whatever she took an interest in, to her daughter. She truly loved all animals especially her own. She will be missed. May God ease you suffering and keep an ever watchful eye on you all.*
