I read about the loss of your loved one “ Logan ”. I know there is little that can be said at this time that will make the pain go away. I read a brochure on Hope for our loved ones that have died. It has comforting words from the Bible. The url address is

“ *Carla, Chris, Ethan and Family,*

Although it was only recently that you became our neighbors, the smiles and laughter that Logan brought to our little mountain top will not be forgotten. It is without doubt that Hailey would have brought even more.

May you know that you are in our thoughts and prayers and if you need anything, we are here.
