Tribute Wall

“ Condolences to Lois' family. I knew Lois from the Methodist church in Callensburg and from Keystone . She was a sweet gentle soul . My 1st memory of her was when she comforted me in Sunday school ' cause I didn't want my mother to leave me , while she went into the church ; I guess at 2, I was a "big" girl and Lois made me feel at ease. She always had a special place in my heart for her caring. Now she can be an "angel " to everyone. R.I.P. Lois, 'till we meet again , BettyJane##imported-begin##B.J. (Magee) Weimer##imported-end##

“ I worked as a secretary at Keystone. Lois was always a cheerful person when coming into the office over those many years. And she was such a good cook. Now that I have retired, I have organized my recipes. We often had days when we brought food in to share. Lois always had something special. I am glad to say I have quite a few of her specialties.##imported-begin##Nadine Knight Sheffer##imported-end##

“ I am so sorry to read of the death of your mother, grandmother and friend. Lois was such a wonderful friend of my mother and father and I remember well spending time in their home while the adults played cards and visited. The laughter that was shared will be something I will never forget. May God be with you during this difficult time.##imported-begin##Jackie McHenry Hughes##imported-end##
