“ Dear Summerville, Family,
I read about the loss of your loved one “ LuAnne ”. I know there is little that can be said at this time that will make the pain go away. I read a brochure on Hope for our loved ones that have died. It had comforting words from the Bible. Others who have lost loved ones share their feelings and grief.

“ My Sympathy to LuAnne's Family with her passing. May God grant you peace and comfort during this most difficult time. I remember LuAnne as a little girl living across the street from us and teasing my boys when they were all young people and her boys when they were little guys. She won't have to suffer anymore from that horrible Cancer.....God Bless you All!!###imported-begin###Sue Pataski Barron###imported-end##

“ Dear Luke,
I've had a picture of your mom on my desk for quite a while, hoping to send you a card and note. Allow me to express my sympathy on the loss of your mother. It's hard at any age to lose someone who is so close to you. Wishing you sweet memories as you come to terms with her loss.
