“ *Marcy and Darcy and the Blair family. I just learned about Lucy's passing and I wanted to send my condolences. I remember her from the apple butter Saturdays at the farm. Knowing she is with our Lord is such a blessing and I hope you will always be comforted by your memories, until we all meet again in Heaven. Donny and Kathy McElravy (Harold and Art's former neighbors)*

“ *My husband and I would like to express our sincere sympathy to the family and friends of your beloved Lucy . We wanted to share with you comfort from God's Word found in John 5:28,29. Here we are given the wonderful hope of the resurrection of our dear loved ones,here on earth, just as Lazarus was in John 11. May you be comforted in knowing we are never alone, when our enemy death strikes. Our Heavenly Father shares our pain and sorrow when someone we love dies. (Psalm 34:18) May the loving memories bring a smile to your face and warmth in your heart to allow your hearts to heal. Take care of yourselves and each other during this very difficult time.*
