“ My heart goes out to all of Madge's family at this time of sorrow. I was lucky enough to have met Madge through work, and then became friends with her, meeting most of her family, etc. I can honestly say without a doubt, that I have never met a more loving and caring person in my life. She had this smile and laughter that was so infectious, and a heart of gold, you couldn't help but love her.

“ About my mom-
My mom was a woman who any child would have been proud to say was their mother. She had a life of challenges which she met head on with strength and determination. She overcame many obstacles and gained her strength from her victories.
My mom was blessed with six children. Her children (four girls and two boys) were her life.
We gave her joy
We gave her heartache
We made her laugh
We made her cry
We made her proud
She loved us unconditionally
She was a mom to many over the years. Always there with a hug and a kiss to greet you.
An ear to listen, advice to give, and a heart full of love.
Thank you mom, you made us the people we are. You will be so greatly missed. Though we know you're still with us from the small signs we see everyday.
(My missing cat Boots came home! Thanks for showing him the way!!)
