“ *My condolences to the Kiester family. Some accept old age and dying as a normal part of life, but really its a result of sin by our first parents Adam and Eve, Romans 5:12. But one day all righteous people will live right here on earth just as God intended, without the ravaging effects of sickness and death, Psalm 37:10,11; Revelation 21:3,4. I hope that these bible truths bring comfort to all those who loved and cared for Ms. Kiester*

Sincerely
