“ A bit of time has passed since Miriam's death but I want you to know that she is still in my thoughts and prayers. I re-read the prayer under her photograph in the funeral card and was once again struck by her loss. She was a lovely girl and I enjoyed our times together - it was an adventure at times too! I miss her great spirit and miss the opportunity to have spent more time together. But, she is in the Creator's hands and I have faith that all is well with her. I hope the family is doing well.
