“ *Life Well Lived*

*A life well lived is a precious gift,
of hope and strength and grace,
from someone who has made our world
a brighter, better place.*

*It's filled with moments,
sweet and sad with smiles and sometimes tears,
with friendships formed and good times shared,
and laughter through the years.*

*A life well lived is a legacy,
of joy and pride and pleasure,
a living, lasting memory
our grateful hearts will treasure.*
