“ A rare man who enjoyed laughing at his own jokes and puns. He made work tolerable and was a consummate professional as a designer. His memory will be a blessing to many.

“ Josh and family, very sorry to hear about Mark. We are in Florida till the end of the month so I won't be able to get to the funeral home. I have known your dad and mom for 35 or 40 years and I have never heard him say anything bad about anybody. I am proud to say he was my friend and I will miss him.

“ Mark is truly and unforgettable person who made such a positive impact on everyone he met. I will always cherish the fun moments we shared while working together. If I needed to laugh, he was the guy to go to. Mark was an extremely caring, hard-working, and beautiful soul to be around.
