“ *Daddy,*

Words are never enough to express your love for someone. I miss you so much! I wish for just a moment I can bring you back. This isn't how it was supposed to go. You were to grow old and see your grandbabies get married and have great grandbabies. I need you still. When I look at this picture it seems like just yesterday. It seems like you should be here still. I can't believe tomorrow is a week since you have been gone. It hearts to breathe. It hurts to live! I hope you felt the love from everyone. I ask that you watch over us and protect us daily!!!

Love your daughter,

Denise! :-) for you poppa I will try to smile.##imported-begin##Denise##imported-end##
