“ Bonnie,

When I went to the Lowrie House this morning, I was so sorry to have learned about your mother. My mom and the other two ladies at her table were all saddened when they heard the news. Mom told me more than once that your mother was the one the other three always turned to when they couldn't get the containers opened at meal time. Mom said "the rest of us have such a hard time using our hands, but that Mary can just get anything opened!"

My sympathies to the rest of your family, too.##imported-begin##Barbara Layton##imported-end##
