“ Dear Mary's Family,

*I wish to offer my sympathy on Mary's passing. I have been a friend of Mary's since our grade school days. Our lives have taken different paths at times during the past years. but we have managed to continue our friendship. I have fond memories of being in the same 500 card club for years. I also attended the dances with her She has been a great friend & I cherish the memories. My prayer is that God will comfort you in your sorrow.*

*Evelyn,*

*My Mom spoke of you often and I recall all the card club years. We recently came across many beach trip pics of the two of you as young adults. Very much enjoyed seeing those. We all fondly remember Don as Santa coming to our house through the years! Thanks for being a lifelong friend to our Mom.*
