“ Mrs McCall was a wonderful kind lady who loved being a school crossing guard for so many years. Our family grew to know and love her. I was back in Pa visting recently, Mrs McCall told my sisters she wanted to make sure she saw my twins before I left to fly home. I saw her on the last day of school at Broad Street, smiling and eager to see the twins. I was happy that I had the opportunity to see her one last time on that street corner. She will be missed by many including myself and my family. Our thought and prayers are with you and your family in this time of sorrow. May she begin to help all of the little children in heaven.##imported-begin##Missy Leonard##imported-end##

“ You are in our thoughts and prayers at this very sad time. We always remember Mrs. McCall as a great lady. Our Mum, Frieda Bauldoff, was in the room next door to Maxene and she died shortly after your Mom. These two great ladies can now sit and chat about the Meridian Woodpecker days. “ Dear McCall Family, Your mother was a very special lady who took the kids seriously and put them before herself at all times. She was the voice of reason and love to all who knew her. She is resting in the arms of Jesus and still watching over us. My kids and I adored her.##imported-begin##Hibbard Family##imported-end##
