*I worked in the HIMS Dept at the VA with Mike and if he wasn't giving us a hard time, we gave him one. We always called him "Mailman Mike"...he would get a big grin on his face and just shake his head!
May you rest in peace Mike.*

“ We enjoyed the food he made for the parties at work. He would tell us he cooked it , then confessed Deb his sister really made it. We had loads of fun with Mike. We would ring the bell at the mailroom door at work and he would yell at us. You always knew where you stood with Mike. He would be gruff with ya one minute then laugh at ya the next. He was devoted to his job in the VA. He was so missed after he retired. I pray the angels carry him into paradise, and be at peace with no more pain.
