“ Nancy was a great mentor, words cannot express my appreciation for the pastors wife she was. She was my second mom. We prayed together, cried together, laughed together. She has such wisdom as a teen looking to the future, she knew what God had for me. Dale and I will be forever grateful for encouraging me to attend Crown College. She knew that was where I needed to be. Then before I left she told me my grandma who was dying of cancer accepted Jesus and she would be ok and to press on to what God was calling me to do. I went to Crown and she was right. I love you Nancy. God gave me you. Lisa

“ Hi and my heartfelt sympathy in the loss of your mother and a shining example of a love for Jesus and a true friend to me. I met Nancy a year and half to 2 years ago. I attend Faith fellowship ALLIANCE and they ask prayer for Nancy and since I'm from Cabot, I stopped to see her. I asked her if she'd like me to read the bible to her and she got a big smile and mouthed yes. That began our journey. I ask what book and it was always John. It took us 3 weeks, I visited once a week, to finish it and we always started the next week again. We always started and ended with prayer. It was a great privilege for me to join her in worshipping our Lord. Believe me when I say she was a witness for Jesus in Concordia. It was a shame when this virus hit and I couldn't see her but thought of her often and prayed for her. As she went to see Jesus, I'm sure her worship and singing was very reverent. But, I'm sure that she was running those streets of gold and singing, very loud I suspect, hand in hand with your father in heavenly bliss afterwards. She was an example to me and will be very much missed. I'm thankful to have known her. God bless you all, Donna Stover
