

## Noah Martin Carthen

April 10, 2017 - December 10, 2018

Son of Nicholas Adam Carthen and Lindsay Elizabeth (Minnear) Carthen was born at Kingwood Medical Center on April 10th, 2017.

Eager to begin his life, our little fire cracker entered the world three months earlier than expected weighing in at 2lbs. 6oz. and was 14.6 -inches tall.

With his family and wonderful medical staff by his side, this young fighter overcame numerous obstacles for over 2 months while in the NICU before being released home on June 15, 2017.

Noah was a happy, fun loving boy from the beginning. He adored his "pup pup" Marlow and loved being outdoors. He would dance to any music mama and dada had on and couldn't get enough of his choo-choo and playing with his cars. A big fan of food, Noah loved eating apples, mac and cheese, quesadillas and cucumbers.

Taken from us too soon, Noah will always be remembered for his outgoing personality and for the lessons he taught us. He touched so many lives in such a short period of time with his strength and love.

His big brown eyes, infectious smile and endless eyelashes will be missed by many, but he will live on in our hearts forever.

We love you NoahBear!

Donations may be made in Noah's honor to Ken Minnear, 135 Kelly Rd Butler PA 16001. All donations received will be given to Kingwood Medical Center – NICU to help support their efforts to continue to provide the wonderful medical care that Noah received during his time there.

Greeting will be from 12:30 until the time of memorial service at 1:30 p.m. on Saturday, December 29, 2018 at the Trinity Lutheran Church, 120 Sunset Dr Butler PA 16001.

“ Today is Christmas Day. Midst all the good things that we associate with this time and day we seldom think of those who are not in the celebrating mood. As someone who has "walked in your shoes" I must take time to express my deepest sympathy on the loss of your precious son, Noah. When we lost our second daughter at 15 months it was our faith, our friends, and our family who helped get us through our grief and our loss. May the Christ, whose birthday we celebrate today bring you peace and healing.  
Sincerely,  
John W. Martin (friend of Ken)
