“ There are people who play a very important part in your life - they help mold you into the person you are today. It is a shame that we never let these special people know how much they meant to us or that we love them...we just take for granted that they know.

My Uncle Pat was awesome, and gave all of his nieces and nephews a lot of wonderful memories. Never once did I ever hear him raise his voice or say an unkind word...well except when he had to untangle all the bikes from the camper...I do recall him mumbling a bit...he wasn't too crazy over camping. During one camping trip he did help my Mom and me get a "large" (VERY LARGE) piece of driftwood in the back of my Dad's station wagon... and when my Dad had to pull the boat out of the lake and crawl over this huge thing all wrapped up in a blanket – well Uncle Pat and my Uncle Russ got the biggest laugh just watching the whole thing. Growing up there where pizza parties, birthday parties, stockcar races, baseball games, Dairy Queens, boy scouts and parades!

It is so hard not being able to come home and be with my Aunt Ruth, Pat, Steve and Keith "Doozy". My prayers are with all of you.

Love,

Cathy###imported-begin##Cathy (Gardner) Wilson###imported-end##
