“ I just discovered my cousin Penney has passed. She was my best friend in the family. She was the only one who came to Texas when my wife Sheila was dying from cancer to see us and a year later to check on me as I was not responding to calls from anyone even my mom. The world is truly diminished with her absence. Wished I would have been in the area when happened. Love ya cuz...”

“ Hi. I recently heard that Penny has passed away. She was quite the character while we worked together at E R Munro and PAN from 1997-2002. She had a bite to her personality, but at the same time, she had a softness about her as well. I always had the utmost respect for her. She would drop everything to help you, if you would let her. My sincerest condolences.”
