Tribute Wall

“ *I love you. I will miss you.*

You have been quite a remarkable brother.

Of all the obstacles that were in your way, you never let that deter your ability to be kind, giving and special.

At your funeral, I was so proud of all the kind words that were spoken by all of your family.

If all of us could touch as many people with our kindness and thoughtfulness, it would be a much better world. You have really set an example for many.

It has been a privledge knowing and loving you as a brother and a friend. You will be so missed.

I am so grateful you are no longer in any pain. Physically or Mentally.

I love you,
