“ *Dear John and Girls,
My heart is so very broken for you and her grandchildren. I know very well how much she loved her family. Phyllis and I have been friends since 1978. I have loved her as a sister ever since. I will miss random texts from her about Crocs (❤️), or pictures of the radio playing Journey or Billy Squire. We had some fun adventures and I miss her so much already. She left all of us with giant holes in our hearts. Good bless all of you and receive her into His loving arms.
Love,

John, Heather, Heidi and family, my heart is breaking for your loss. While scrapbooking with Phyllis for many years I have heard many stories. These stories were mostly of her family on how much she enjoyed each and everyone of you. I heard of the vacation experience, she could never wait for the next adventure. Let's not forget her grandkids that she couldn't get enough of. Then her fur babies seemed to always keep her on her toes. You all are in my thoughts and prayers!
