“ Dear Eileen and Family: My sister, Sheila, sent this today and I want to let you all know that I will remember all of you in prayer. I feel such a deep chill of sadness. Noriene and I grew up together until we moved from Eilers St. when I was 12. We had many a wonderful time as kids growing up in a neighborhood where all of the families operated as a big "net" to keep kids happy, safe and out every night until the street lights came on and we were called home. (Gone are those days!) We were able to see each other from time to time--but a very long time has passed since our last visit. My heart goes out to you and I know that at sometime in God's future, we will meet again.

“ I only just met Noriene about a year ago thru working at Porky's weddings on Saturdays. My first impression of her was that she still had a great work ethic....the work ethic that's hard to come by these days. She paid attention to detail and worked with much thought. They don't make them like that anymore!! After a few times of seeing her, she always had a hug to give and it was great to make her laugh and smile. I noticed that she went to Holy Sepulcher and would quickly greet me with a hello and a hug. Then I saw her at the Hardwood and noticed that she could really wind down and have a good time. What a very nice lady...the whole ball of wax...hard-working, great values and fun to boot. My thoughts and paryers go to all who knew her longer than I and what their loss might feel like. Noriene...May the Lord bless and keep you. May He shine his light upon you and be gracious unto you. May His face shine upon you and give you PEACE.

“ *Noriene was one of a kind...an Angel on earth! She did so much for so many and didn't know she was doing it. Nor was the most giving person I have ever known. That was just her wonderful way of caring. She has touched my families hearts and in our hearts she will forever be.*
