“ John, words cannot express the feeling of losing your spouse. I have been through it. Your memories together will be there to lift you up when you need it. Take care of yourself even when you don't want to do it. Take baby steps if you have to...some days that's the only way to get through the day. I lost Frank 8 years ago and not a day goes by that I don't think of him. The raw pain eases as life goes on which helps. My sincere sympathy and love to you. Jane (Reges) Long Casey, New Castle, PA
