“ Dear Ralph, you will be missed. You kept my mom young and happy. She found a special love with you that most people don't get a second chance at. Thank you for making her smile and laugh over the years. We know you will be watching over her. Everytime the oak tree swing blows in the wind, I will think of you.##imported-begin##Kirsten##imported-end##

“ Dear Ralphie, It sure is an empty house since you're gone. Your chair sits there without you in it. I'm missing you already since you left so quickly without a good by. I guess God only knows when he wants you with him. I Love you Ralphie.##imported-begin##MARY##imported-end##
