“ It is Christmas Day and i cant help but think what this day wouldve been like had things turned out differently. even though its been over 3 months, i am still struggling with the emotions that go with losing a loved one. i truly believe it was god who brought us together only a couple days before the accident. some days are certainly harder than others. i can only imagine how difficult the holidays must have been for her family being unable to see randi smiling and to hear her laughing. through time the pain will subside but the memories will surely live on forever. your light was so bright, randi. i miss you more and more everyday!! Please wait for us all at the pearly gates! God Bless randis other friends and family. please keep her spirit alive. she was such a wonderful woman! to this day, i am still deeply saddened by losing her, as we all are. I will always remember you, Randi! Your Friend, Jamie!###imported-begin##Jamie##imported-end##

“ Do not stand at my grave and weep,
I am not there, I do not sleep
I am a thousand winds that blow
I am the beautiful, glistening snow
I am a breeze on a cool, summer night
I am the night stars, shining oh so bright,
Do not stand at my grave and cry,
I am not there, I did not die.
I love you, Randi!###imported-begin##Jamie##imported-end##

“ i saw a quote today, it said "when god takes them, he takes the best." this got me thinking as to how true this really is. over the past seven months of my life, i have seen this. he only goes after the best. Randi was the most wonderful person i have ever met. i also listened to her song today and makes me cry every time. mostly because she was an angel. and i dont know how you do it danette. i have tried so hard to be strong and in light of recent events, it is getting so hard. anytime i see you i hurt. any of the family. but i love you all so much and i would do anything for you guys. i think of her everyday and i miss her with all my heart. she is a part of me though and i take her everywhere. love you baby girl###imported-begin###a friend###imported-end###

“ this has probably been the worst thing that has ever happened to me. randi was like a sister to me and i miss her with everything i am. everything i do makes me think of her. the smallest things bring her back. which isnt always a bad thing. i wake up every morning and see her picture hanging on my bedroom wall and i sit for a moment and think. what the hell?? it still seems so unreal to me. i still wait for her car to pull up in the alley. and still expect to see her around the neighborhood and at the house. everytime there is a party or a fire i think of her. because i know she is there. sometimes i sit up with her at the cemetery for hours just to talk and think. i found this song that screamed randi at me. sissys song. it was made for her i swear. my heart goes to the klingensmith family whom i love with all my heart and soul. i love you guys and randi, i love you girl. miss you so much###imported-begin###a friend###imported-end###

“ They say there is a reason
They say that time will heal
But neither time nor reason
Will change the way we feel.

*For no one knows the heartache
that lies behind our smiles,
No one knows how many times
we have broken down and cried.*

*We want to tell you something
so there won't be any doubt,
You're so wonderful to think of
but so hard to be without.*

*We cannot bring the old days back, when we were all together
The family chain is broken now,
but memories live forever.##imported-begin##Debbie

Just know I love you guys and I am here for you and the kids. Danette. Randi's beauty is something that always showed inside and out. You and Kevin have so much to be proud of. Even when Randi was little she was like a little mother. She was always looking for a way to make everyone feel better or help in some way or another. We'll all miss Randi. our deepest most sincere sympathy for your loss,
god really got a great angel this time.

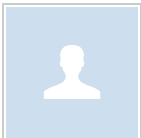

No one can know just what you've lost;
No one can understand the cost;
But when you feel your energy drain,
Please count on us to help ease your pain.
Let us help you cope with grief;
We hope with time you'll feel relief.
We can't replace randi, who is gone,
But let our concern help you carry on.

“ Kevin, Dannette and girls,

I am so sorry for your loss. Randi is a beautiful woman just like her mom and her sisters. I had only been to your home a few times, but I could see the love in your house and know that she is in heaven with the rest of our loved ones that have passed before. They are looking down and she is retelling them all the wonderful moments your family shared. I honestly thing God gives us our whole lives to prepare our souls to enter Heaven. It is just that some of the very few are so special that they are ready much earlier then the rest of us. I love you all and please let me know if there is anything I can do.

“ Dear Klingensmith Family,
I read about the loss of your loved one “ Randi ”. I know there is little that can be said at this time that will make the pain go away. I read a brochure on Hope for our loved ones that have died. It had comforting words from the Bible. Others who have lost loved ones share their feelings and grief.

I spoke with Randi years ago, about her name- at that time, she did not like it and I knew just how she felt, I did not like it either when I was her age!!
