“ *Such a sweetheart. We both liked Neil Diamond, and he made a tape for me from an album he had.*

“ *I am so sad to hear this news. I didn't spend a lot of time with Ray, mostly around the holidays when Steve, the kids and I would visit John, and we did have one fun week's vacation in the Outer Banks, years ago... but I know that Ray was a special man. Most important of all, he always made me laugh. He had such a vibrancy, he just always seemed happy. And so generous...he surprised me and made a new leg for and fixed my antique rocking chair, just out of the goodness of his heart.*
We've lost a good man. I will miss him.
My love to Martha and the family.

“ Our hearts are broken with this sad news. We loved square dancing with Ray and Martha. He was such a fun fellow and we had such a good time with them. Our sympathies goes to Martha, his daughter and extended family. Our thoughts and prayers are with you. Heaven has gained a fun and feisty fellow. God Bless

We spent the most time with Uncle Ray, Aunt Martha and Karen growing up than any other family. It felt like one big family sharing camping and boating on the river. We would share meals and the fire pit. I would always try to visit when I went home to see dad. Ray even fixed a table of mine with his wood working skills and equipment. He is missed. Love to Martha, Karen and all the grand and great grand kids.
