“ *Not the way I wanted to spend time with Uncle Ray, but I'm glad I got to see him more this past year at the hospital. I really enjoyed our talks and he was a man of great knowledge. My mother and I went to visit him this past week and he was in great spirits and joking and laughing with that infectious laughter that he had. What a reunion it must have been when he entered those gates of Heaven. You will be missed Turkey Bird, Rest in Peace.
