“ I am so thankful I had the opportunity to meet and talk to Renee last year. Although I didn't know her extremely well, she offered sincere advice, always had a smile or laugh to share, and wasn't afraid of hugging people. She made me feel so loved even though I wasn't apart of the family. In fact, she radiated with love wherever she went. Renee, you will be missed, but I pray you are having a fabulous reunion up there. Family of Renee, you will be close in my prayers and heart. ♡
