“ To all my family back home (especially Kevin, Jade, and Tanner), Although I am not able to be there with you physically, you are here with me. You are here in my thoughts and prayers at this moment of sadness for all of us. This time has come way too soon. We must cherish and never forget memories of our time shared with Boo while she was here with us. Life is so precious and special. Cherish every day we have together. Please take comfort in each other during this time. And let us look forward to the day we will be reunited with Boo and all of our loved ones who have gone before us. May they provide us guidance and peace from above. Loving all of you from afar. God bless you all. Murphy##imported-begin##Nephew Murphy##imported-end##
