“ I will certainly miss sitting outside with you, sharing stories and laughs. I am honored to have met you Dick, and I miss coming home everyday to see you sitting outside at your door waving at me, calling me over to tell me one of your funny stories. You were a wonderful soul that I was blessed to have as a neighbor and friend. May you rest in peace, reunited with your loved ones in heaven. To Richelle and family...my thoughts and prayers continue to be with you during this difficult time, and always.

Love and miss you my friend,
